Protective Kyoko...

Tyko, Doll...?

It's a tool to call Kay Green, Sung. Isn't it cute?

Yeah! Isn't it?

Wait, this is a tool?

You're trying to be a Kuma Pyung by using a medium?

Ah.

It could be dangerous if we called a spirit into our own bodies.

That's why we're going to use this special item to do a Kuma Ritual.

Kuma Ritual?

It's natural to call a spirit back into this world.

And we really going to call a spirit here?

Of course.

But it might not work the well with Kay Green, Sung.

It's very nice to call a spirit back from hell.

.....

Wait! You did this last time and it's too dangerous!

We were there.

Oh, wow, there is also the last precaution.

Ah! Do not disturb the area of the ritual room.

You should never get close to a Kuma Pyung's spirit.

Also, you should be wearing safety! The spirit!

Ah well, that the first time. It's not going to be problem.

Then let's start.
